

21st-23rd October 2004, Thessaloniki, Greece.

UNESCO-IHP (Paris) has asked INWEB to organise a workshop in Thessaloniki, Greece from 21- 23 October 2004, entitled: ISARM-MED Internationally Shared (Transboundary) Aquifer Resources Management Mediterranean Consultative Meeting. Key Issues for Sustainable management of Transboundary Aquifers in the Mediterranean and in South Eastern Europe. The main objective of this workshop is to identify and more clearly define internationally shared aquifers, and compile an inventory of existing information for the Balkans and Mediterranean region.
