4th -8th February 2009, Beirut, Lebanon

At the recent Euro-Mediterranean Ministerial Conference on Water (December 2008, Dead Sea), His Excellency Minister Alain Tabourian invited the Lebanon to discuss issues emerging from the Ministerial Declaration, including contributions to developing the new Strategy for Water in the Mediterranean as well as in identifying criteria for future technical projects.. The 2nd Beirut Water Week aims to serve these objectives. It is organized by the Lebanese Ministry of Energy and Water, General Directorate of Hydraulic and Energy Resources (GDHER) and the Global Water Partnership – Mediterranean (GWP-Med), with the support of the Mediterranean Component of the EU Water Initiative (MED EUWI), the French Government, the MEDA Water Programme and other donors.
